Some apprehension is felt by the relatives here of the Forman Missionaries in India on account of the recent dreadful earthquake in that land for their safety, as they resided in that part of the country where the dire calamity occurred.

MRS. E. F. WILLIAMS.

Mrs. E. F. Williams, the mother of Mrs. J. W. Clinger, died at her home, 115 Cottage street, at 1:30 o'clock yesterday.

She was born in Bath county March 1st, 1838, and moved to Maysville when seven years old.

At the age of 15 she became a member of the Baptist Church, and throughout her long life she was loved for her noble Christian traits. Mrs. Williams was the oldest member of the Maysville Church of her denomination.

Her marriage to Samuel C. Williams occurred October 1st, 1858, and to the union three children were born, Mrs. J. W. Clinger of the Sixth Ward being the only surviving one. Four grandchildren also survive.

She leaves a brother, M. C. Alexander, at Winchester, Ind., and three sisters, Mrs. L. Primmer of Ewing, Mrs. Thomas Wormald of Dayton and Mrs. M. D. Keeney of Konda, W. Va.

The funeral will occur from the home of Mr. and Mrs. Clinger at 1:30 p. m. Thursday, and the interment will follow in Maysville Cemetery.

JOHN WEBER.

Mr. John Weber died at 5:30 yesterday afternoon at his home in East Fourth street, after a lingering illness of consumption.

He was about 43 years of age and is survived by one sister, Mrs. Mary Fisher.

The funeral will take place at 9 o'clock tomorrow morning from St. Patrick's Church, the interment being in the Cemetery at Washington.

HON. J. FRANK GRANT.

Mr. William H. Cox this morning received a telegram announcing the death of Hon. J. Frank Grant at his home at Baltimore.

Some few weeks ago Mr. Grant underwent a severe surgical operation and his condition since then had been extremely critical.

Mr. Grant was one of the most prominent Odd-fellows in the United States, for years holding the office of Grand Secretary of the Sovereign Grand Lodge.

Mr. Grant is a former Kentuckian, and it is probable that his remains will be brought to his old home at Petersburg for interment.

Try Fitzgerald's delicious Icecream Soda. Miss Violet Buckingham is suffering intensely from muscular rheumatism.

Mr. James Whitaker, one of the C. and O.'s efficient yard crew, is suffering from a severe attack of lumbago.

Ashland and Russell have an epidemic of robberies. Thieves carried off about everything except the cisterns and cellars.

All members of Washington Camp No. 3, P. O. S. of A., are urged to be present at tonight's meeting, as there will be business of the utmost importance brought before the Camp.

Orla Botkins of Petersville was painfully hurt by jumping from a streetcar at Catlettsburg. He was in such a hurry that he couldn't wait for the car to stop; but the time he will lose during the next few months will probably teach him a lesson.

For lunch at Dersch's, 222 Market street, at 7:30 tonight. All invited.

DAMAGE \$200,000

Maysville Man Loser in Big Fire at Huntington, W. Va.

An electrical storm which raged over Huntington for four hours yesterday morning caused more than \$200,000 damage.

A bolt of lightning struck the fifth floor of the wholesale grocery house of Blake Bros. & Co., and the entire building was consumed.

The flames communicated to the seven-story building of the United States Stogie Company, owned by the Trust of Pittsburgh, and this was totally destroyed.

George Brammer's machine shops were burned.

Also Haucke's wall paper and paint establishment and numerous smaller buildings.

The losses are estimated as follows:

Blake Bros. & Co., \$115,000, \$50,000 of this amount being on the building.

United States Stogie Company, \$50,000.

Haucke Wall Paper and Paint Company, \$4,000.

C. and O. Freight and Passenger Station, \$3,000.

All the electrical wires in the city were put out of commission, and thousands of telephones were burned out.

Mr. Conrad Haucke, whose serious loss is noted above, went from this city a few months ago, and his many friends sympathise with him in his misfortune.

OLD WYANDOTTE WON!

The Famous Sandwich Island Queen Case Settled Yesterday.

It's all over now.

And everybody's satisfied.

During the session of the Great Council, I. O. R. M., in this city a couple of years ago, Wyandotte Tribe chartered the palatial Island Queen for a river ride for her guests.

She was to pay \$350 for the boat, and a luncheon was to be served to the guests, at 25¢ per capita.

Of this, \$100 was paid down when the contract was made, and upon arrival of the boat here a check was given for the remaining \$250—the lunch to be paid for when the number of guests was ascertained.

But as such a vast number did not even see the color of a sandwich, there was a "holy howl" and a "big kick," and payment of the check was stopped.

There were just 720 passengers on the boat, and the Coney Company sued for \$530—the \$250 on boat hire and \$180 for the so-called lunch.

Then Wyandotte's Attorneys filed a counter-suit for \$1,000 damages.

There were "Libels in Admiralty" by various Proctors, and there were depositions and other dams, and the case dragged in Judge Cochran's Federal Court at Covington until yesterday, when the Sandwich Islanders adjusted their think tanks and prosed a settlement.

Wyandotte Tribe pays \$300 and the Coney Company pays the costs; and what they'll have left out of that \$300 won't much more than pay for the 3,000 sandwiches which their Caterer swore he served to 720 people.

It is a victory for the Maysville Indians.

HERE'S a chance for the Walking Delegates to sit down on the Panama Canal Commission. Japanese laborers are to be employed to dig the big ditch, and they are to be paid \$1.50 for a ten-hour day.

It looks like an impossibility to have a public job done properly. Although only seven years old, the Tomb of General GRANT in Riverside Drive, New York, shows serious signs of erosion. Evidently the contractors worked off on the inexperienced building committee a very snide quality of granite.

THEO. P. SHONTZ, President ROOSEVELT'S \$100,000 man, says that direct business methods such as are employed by the railroads will be made use of in building the Panama Canal. Monthly reports of progress for the information of everybody will be published. He says the people are the stockholders in the enterprise, and the stockholders shall be pleased.

WHILE the Rev. Dr. WASHINGTON GLADDEN of Columbus, O., is cavorting around about where and how the Honorable JOHN D. ROCKEFELLER, M. D.,—Millionaire Dude,—got his money, he might pass an opinion on the Rev. Dr. GEORGE W. HAGER, a Baptist Minister who has just been fined \$1,000 and sent for eighteen months to the Moundsville (W. Va.) Penitentiary for raising \$2 bills to \$10 bills and passing them on his congregation.

OF 16,000 babies born in New York during the past four months only 10 are credited to Fifth avenue, the home of fashion and wealth. The women of that thoroughfare are too busy doing sash-si-e-ty to bother about small matters.

WHAT'S the use trying to punish election thieves, in Louisville or elsewhere? Thousands of the very men who know that these conditions exist, and who openly denounce them, walk right up to the polls and vote for their continuance simply because both thief and voter represent the party in power.

THE refusal of the Carlisle City Council to grant liquor license last December has made a depleted Treasury and left the balance on the wrong side of over \$5,000. The tax in the city, including state and school, now amounts to about \$2.05; and, most of all, there's no serious difficulty in getting all one wants to drink.

MAYOR-ELECT DUNNE of Chicago made a speech in New York a few days ago in which he denounced the "private capital" and "greed" which now controlled Chicago's street railways; and in the next breath he held out bright inducements for the same private capitalists to furnish him with money to buy the systems. The "Lord Mayor" ought to get his think tank on straight.

LOUISVILLE tips her hat to Chicago. The between-the-acts rush for cocktails has become so great with the theater-goers in the Windy City that the barkeeps mix them in advance, and Internal Revenue Commissioner YERKES—true Kentuckian that he is—has decided that they may do this without paying tax as "rectifiers." This ought to insure prompt and satisfactory service even when Mayor DUNNE throws the Chicago saloons wide open to the thirsty public.

THE LIVER QUARANTINE

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countlessills assail the man who endeavors to economize time at the expense of his health.

A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness. In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.

KENTUCKY CROP PROSPECTS

Condition of the Growing Crops for the Month of April

The month of March was decidedly exceptional. It came in gentle, quiet, warm and lamb-like, and continued that way for thirty-one days. It gave the farmers a splendid opportunity to partially get back some of the time lost in January and February, a good many counties reporting that the farm work is well up for the time of year. The prospects are good for an average acreage of corn, and if the good weather continues only a short time, quite a quantity will be planted. Already a good start is made in some counties.

The condition of wheat has moved up five points since March 1st.

A full crop of spring oats will be seeded. Winter oats did not stand the winter well, and have been a disappointment to the farmers for three successive years.

The condition of rye is all that could be expected after the dry fall and severe winter.

The condition of barley is quite up to the standard.

Tobacco beds are all sown, and the early sown seed are up and look promising. Quite a large amount of both burley and dark tobacco yet remains unsold. The prices for both seem to be better than was paid last year, with the greatest advance in the dark types.

Meadows, pastures and clover are exceptionally good for the first of April.

The potato acreage promises to be an average, and a considerable portion of the crop has been planted.

Live stock of all kinds are reported to be in good condition from all sections. There was quite a loss of early lambs from severe weather. Only two counties report any disease among hogs.

Several mountain counties report the peaches killed. With this exception the prospect for fruit is all that could be wished for.

Taylor at Washington sells Lancaster Ginghams at 5 cents. This is good news.

INSOMNIA

"I have been using Cascarets for Insomnia, with which I have been afflicted for over twenty years, and I can say that Cascarets have given me more relief than any other remedy I have ever tried. I send you my thanks, and I send my friends as being all they are represented."

TESTS PATIENCE.

The Most Patient Maysville Citizen
Must Show Annoyance at Times.

Nothing spoils a good disposition,
Nothing taxes a man's patience,
Like any itchiness of the skin.

Itching Piles almost drive you crazy.
All day it makes you miserable,
All night it keeps you awake.

Itch! Itch! Itch! with no relief.
Just the same with Eczema.

Can hardly keep from scratching it.

You would do so but you know it makes it worse.

Such miseries are daily decreasing.

People are learning they can be cured.

Learning the merit of Doan's Ointment.

Plenty of proof that Doan's Ointment will cure Piles, Eczema or any Itching of the skin.

Read the testimony of a Maysville citizen.

Mrs. S. F. Tolle, of 117 Short St., Maysville, Ky., says:

Before I used Doan's Ointment in March, 1900, I had suffered for a long while with itching hemorrhoids. I had tried persistently to rid myself of the trouble but without success, and anybody who has known the tortures of this complaint will understand what I suffered. Doan's Ointment, procured at J. Jas. Wood & Son's drugstore cured me, as stated in a testimonial at that time, and during the five years past I have had no return of the trouble. It required only one box to bring this gratifying result. I have used Doan's Ointment for other purposes, and find that it is a specific for skin troubles and all itching diseases."

Forsale by all dealers. Price 50 cents a box.

VINOL WORTH \$1,000 TO A. J.
BAKER.

The Aged and All Sons and Daughters
of Aged People in Maysville
Should Be Interested.

Mr. A. J. Baker of 713 Locust street, Evansville, Ind., writes: "I believe there is no other medicine equal to Vinol for elderly people. I would not take \$1,000 for the good it has done me. It makes strength for the aged as no other medicine seems to do, and invigorates the whole system. Vinol was first recommended to me for a bad cough, which I could not seem to get rid of. Vinol not only cured my cough, but it made me strong and well, and I enthusiastically endorse Vinol."

Mr. John C. Pecor, our well known Druggist, when interviewed in regard to this matter, said:

"We have never sold in our store such a wonderful vitalizer and strength maker for the sick, the weak and the aged.

"Vinol owes its virtue and great medicinal power to the fact that it contains in a highly concentrated form all the active curative properties of cod liver oil, without a drop of the
